Need Volunteer Support?

Does your club need a helping hand, are you coaches in need of support?

The scheme has been well received across Cheshire East and look to develop all volunteers on the scheme. Where possible we link into Clubmark Clubs and into our own Cheshire East Sports and Play Development programming.

If your club needs support or you know someone that would like to contact the Cheshire East Volunteer programme team. We may have just the support you need?

For more information about volunteering. **Please contact Sport and Play Development Officer: 01270 685783.**

Benefits of Clubmark for your club

- A nationally recognised seal of approval and sign of quality.
- Greater links with Local Schools and Local Authority.
- Greater opportunity to access funding and grants.
- A greater infrastructure to further develop your club.
- Entry onto Cheshire East's Volunteer Scheme, giving you more access to local volunteers.

Inspired Basketball...

After last years success the Cheshire East Basketball Forum worked together to host the 2nd Hoopfest. I think everyone can agree that it was a cracking day of basketball. Special thanks to Dave Price, volunteers, Parents and all that supported the day.
